Remarks

One or more photo(s) has been virtually staged. Unique opportunity to renovate (or build) in Emerald Harbor - one of Longboat Key's most sought-after neighborhoods. Located at the widest point on the widest canal on the Key (172ft), this 155ft x 100ft lot offers limitless possibilities. The existing structure was flooded during hurricane Helene, but has been professionally remediated and is ready for renovation. The 2,393ft home has 3BR/3BA, open floor plan, large pool/outdoor entertainment area and oversized garage. Call to arrange showing.
